

**Technology Services Note 03/17**

**Date:** 24<sup>th</sup> of July 2017

**Subject:** **Conformance Testing Guide**

---

In accordance with Article 9 of Delegated Regulation (EU) 2017/584 (RTS 7), all applications that will connect to a regulated market, must have successfully completed conformance testing described in this article.

The MEFF Conformance Testing, for the T5.0 API, is detailed in the document “HF MEFFGate FIX - SIMULATION ENVIRONMENT AND MIFID CONFORMANCE TESTING GUIDE”, which can be found in the documentation section of the MEFF website, <http://www.meff.com/asp/Tecnologia/Documentacion.aspx?id=ing>, and in the MiFID II section [http://www.meff.com/asp/Comun/Pagina.aspx?I1=Normativa&f=MIFID\\_II&id=ing](http://www.meff.com/asp/Comun/Pagina.aspx?I1=Normativa&f=MIFID_II&id=ing).

The period for conformance testing will begin on the 30<sup>th</sup> of September 2017.
